Master Enterprise Architecture. Pass Your TOGAF® 10 Exam. Transform Your Career.

Tagline: Practical Mastery vs. Rigid Theory

Why Choose CognitusEA?

Officially Licensed by The Open Group:

We operate under an official Commercial License, teaching real-world Enterprise Architecture across TOGAF® 10 & 9.2 Editions - free from rigid slide-deck models.

Real-World Application:

We don't just teach you to pass a test. We teach you to apply TOGAF® to real enterprise-scale transformations through case studies that go beyond the exam.

"Standard courses teach from a delivery project mindset. We teach from the holistic perspective of enterprise architecture."

Master-Level Trainers:

- ✦ Active Master Enterprise Architects with 30+ years of experience
